

THE PERFECT YEAR - 2026

FROM RIDE TO RACE WITH SPORTRIDERCOACHING

The Perfect Year program at SportRiderCoaching accelerates rider development. In one year, the program aims to advance a street or beginning track rider to competition-ready, including earning a competition license.

In addition to coaching, opportunities for individual practice are provided with offline consultation and guidance.

Key Program Points:

- Initial Pro-Coaching session with national-level professional coach, including a rider development plan
- Multiple coaching days with SRC expert coaches
- Multiple individual learning days with summary video review and trackside consultation
- Additional Pro-Coaching Day to refine key skills and measure progress
- Multiple core skills practice days
- Race licensing
- Optional permanent ECR membership at a substantial discount
